

James Wick  
Attebury Consultants  
5285 SW Meadows Rd., Suite 468  
Lake Oswego, OR 97035

Occupation: Consulting Forester

Direct Testimony: 15 minutes

Mr. Wick is a consulting forester who provides consulting services to a variety of forest landowners in Oregon and Washington. This work includes planning and executing timber harvests. He will testify that he advises his clients against replanting alder because of concern throughout the region that there will not be a reasonably competitive alder log market in the future.
